.....RESPONDENTS

ORDER:

Alleging that the third respondent is calling the petitioners to the Police station and visiting their residence without any reason, the present writ petition is filed. In the counter affidavit filed by the third respondent, it is stated that the neighbour of the petitioners, by name Md.Iqbal Khan, is a rowdy sheeter and that the Police only made a casual visit to the house of the rowdy sheeter and the house of the petitioners. The allegation that the petitioners were called to the Police Station or that the Police are regularly visiting the house of the petitioners are denied. It is also admitted in the counter that the petitioners are not involved in any crime and that no rowdy sheet is opened against them.

As the petitioners are not involved in any crime or no rowdy sheet is opened against them, any surveillance by the Police is not warranted. This position is not denied by the learned Assistant Government Pleader.

The writ petition, with the above observations, is disposed of.
